## **Photo Use Approval Form**

The scoutmasters of BSA Troop 197 need your help. In order to keep expanding and improving our website, recruit new scouts, and promote the troop's activities, approval is required, by law, in order for BSA Supertroop 197 to display photographs with you and/or your children online and in print.

The photographs are to be used only for BSA Supertroop 197 print and electronic materials, such as brochures (e.g. The Westminster Green & White), flyers, campout presentations, SmugMug photo gallery, and our troop's private website. We respect the privacy of all our scouts and families, and thus no names will be published when utilizing the pictures.
